Center on Aging-Northeast Will Assist in Medicare Open Enrollment

LITTLE ROCK – The Center on Aging-Northeast, part of the University of Arkansas for Medical Sciences (UAMS), will once again assist Medicare participants with their prescription drug plans during the open enrollment period by providing non-biased evaluations and enrollment assistance.

The Medicare open enrollment period to join or switch Medicare drug and health plans begins Oct. 15 and ends Dec. 7. To make an appointment for assistance, call Cynthia Abel at 870-207-7595 or 800-745-0557. The Center on Aging-Northeast is located at 303 E. Matthews, across from St. Bernards Hospital.

The UAMS Center on Aging-Northeast has been assisting Medicare recipients with their plans since 2006. The assistance is free and participants will need to bring a list of medications, current drug or health plan card, and Medicare card.

The Center on Aging-Northeast is part of the UAMS Donald W. Reynolds Institute on Aging. Support is also provided by St. Bernards Healthcare.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; northwest Arkansas regional campus; statewide network of regional centers; and six institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging and Translational Research Institute. It is the only adult Level 1 trauma center in the state. UAMS has 2,727 students, 822 medical residents and five dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses throughout the state, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
