Jan. 22 Science Café — ‘You Are How You Eat — Food Safety’

LITTLE ROCK — Science Café Little Rock, co-sponsored by the [University of Arkansas for Medical Sciences](http://www.uams.edu) (UAMS), will hold its next public forum, *You Are How You Eat — Food Safety*, on Jan. 22. Panelists will discuss food choices and the handling, preparation and storage of food to prevent food-borne illness.

Science Café will be from 7-9 p.m. at Hibernia Irish Tavern, 9700 N. Rodney Parham Road. Science Café is a relaxed opportunity for monthly exchanges with various experts. No reservations are needed, but seating is limited. Admission is free.

This month’s panel will include Renee Smith, director of the Culinary Arts and Hospitality Management Institute at Pulaski Technical College in Little Rock; Kristen Gibson, Ph.D., an associate professor of molecular food safety and microbiology in the Department of Food Science at the University of Arkansas in Fayetteville; and Tracie Wilson, an environmental health specialist with the Faulkner County Health Unit in Conway.

Dorothy Graves, associate director for administration of the UAMS Winthrop P. Rockefeller Cancer Institute, will moderate the event. Science Café includes a corresponding live radio call-in program, “Science Café Little Rock,” on National Public Radio-affiliate station KUAR FM89. The science talk show, featuring one speaker from the monthly panel of scientists and experts, is aired just prior (6:05-6:30 p.m.) to the live Science Café event. Smith is this month’s radio guest.

Science Café events are held on the fourth Tuesday of the month, except for July, August and December. Check out the website for more information on monthly speakers and topics at www.sciencecafelr.com. For more information on future Science Café events or to suggest topics and speakers, contact UAMS research liaison and Science Café Director Linda Williams, M.S., at 501-686-7418. To join the listserv and receive news on monthly speakers and events, send an email with “subscribe” in the subject field to sciencecafelr@gmail.com. Science Café was created through interest and partnership of the UAMS Graduate School, Arkansas Biosciences Institute, UAMS Division of Research, KUAR-FM 89.1, the Central Arkansas Section of the American Chemical Society and Hibernia Irish Tavern.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; Northwest Arkansas regional campus; statewide network of regional centers; and six institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging and Translational Research Institute. It is the only adult Level 1 trauma center in the state. UAMS has 2,727 students, 870 medical residents and five dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses throughout the state, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
