**UAMS to Provide COVID-19 Drive-Thru Evaluation  
June 6 in North Little Rock**

LITTLE ROCK – A community drive-thru evaluation clinic for COVID-19 will be held from 10 a.m. – 2 p.m., June 6 at First Baptist Church, 811 Scipio Jones Drive in North Little Rock. There will be no out-of-pocket cost to the patient.

The clinic will be conducted by the University of Arkansas for Medical Sciences (UAMS) along with The First Baptist Church of North Little Rock and the City of North Little Rock Department of Parks and Recreation.

You do not have to be a UAMS patient to be seen. This evaluation clinic is for anyone experiencing flu-like symptoms, including cough, fever, shortness of breath. Not everyone who is sick needs to be tested.

UAMS physicians will evaluate you to see if you need to be tested. If you are not tested, you will be given instructions on how to take care of yourself and your family at home. If you are tested, results take several days to come back and you will receive a phone call about your test results.

If you feel well and don't have any symptoms, continue to stay home, wash your hands regularly, and practice social distancing by staying at least six feet away from other people when in public places. An online screening tool is available at [uamshealth.com/healthnow](http://uamshealth.com/healthnow). Phone screening is available through the UAMS Health hotline at 800-632-4502.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute and Institute for Digital Health & Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise including its hospital, regional clinics and

clinics it operates or staffs in cooperation with other providers. UAMS is the only adult Level 1 trauma center in the state. *U.S. News & World Report* named UAMS Medical Center the state's Best Hospital; ranked its ear, nose and throat program among the top 50 nationwide; and named six areas as high performing — cancer, colon cancer surgery, heart failure, hip replacement, knee replacement and lung cancer surgery. UAMS has 2,727 students, 870 medical residents and five dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
