**UAMS to Provide COVID-19 Vaccinations
April 22 in Camden**

LITTLE ROCK — A University of Arkansas for Medical Sciences (UAMS) Mobile COVID-19 Vaccination Clinic will be held from 10 a.m. to 2 p.m., April 22 at Zion Hill Christian Academy Building, 117 Maul Road, in Camden.

The clinic is available to **pre-registered patients only**. No onsite registration will be allowed. There is no out-of-pocket cost to the patient. UAMS will administer the first dose of the two-dose Pfizer vaccine.

As of March 31, all Arkansans age 16 and older are eligible for vaccinations; the Pfizer vaccine is the only one approved for use in teens as young as 16. A parent or guardian must come to the vaccine appointment with patients under 18.

To pre-register online, go to: vaccinesignup.uams.edu/mobileclinic.

The vaccinations will be conducted by UAMS in cooperation with the Zion Hill Christian Academy, Planting the Seed Foundation, City of Camden, Arkansas Department of Veteran Affairs, Arkansas Blue Cross and Blue Shield, the Vaccinate the Natural State campaign and Bank of America Foundation.

To request a mobile vaccination clinic in an Arkansas city or town, please fill out a request form here: uamshealth.com/population-health-mobile-unit-visit-request/

Even if you don't have any COVID-19 symptoms, wash your hands regularly and practice social distancing by staying at least 6 feet away from other people not in your household, and wear a mask in public. An online screening tool is available at uamshealth.com/healthnow. Phone screening is available through the UAMS Health hotline at 800-632-4502.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; a main

campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute and Institute for Digital Health & Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise including its hospital, regional clinics and clinics it operates or staffs in cooperation with other providers. UAMS is the only adult Level 1 trauma center in the state. *U.S. News & World Report* named UAMS Medical Center the state's Best Hospital; ranked its ear, nose and throat program among the top 50 nationwide; and named six areas as high performing — COPD, colon cancer surgery, heart failure, hip replacement, knee replacement and lung cancer surgery. UAMS has 2,876 students, 898 medical residents and four dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
