**UAMS to Provide COVID-19 Vaccinations  
June 18 at Philander Smith College**

LITTLE ROCK — A University of Arkansas for Medical Sciences (UAMS) Mobile COVID-19 Vaccination Clinic will be held from 10 a.m. to 2 p.m., June 18 at Philander Smith College, 900 W. Daisy L. Gatson Bates Drive, in Little Rock.

To minimize your wait time, please make an appointment to receive a vaccination by calling (501) 526-2211 or going to [VaccineSignup.UAMS.edu/mobileclinic](http://VaccineSignup.UAMS.edu/mobileclinic). However, walk-ins are welcome.

Everyone present at the clinic must wear a face mask.

There is no out-of-pocket cost for vaccinations, but those attending the clinic should bring valid IDs and insurance cards if they have them. UAMS will administer one dose of the two-dose Pfizer vaccine at the clinic, which is the only vaccine approved for use in children as young as 12.

All Arkansans age 12 and older are eligible to receive the vaccine. A parent or guardian should come to the vaccine appointment with patients under age 18 or complete and sign the guardian information on the registration form at [VaccineSignup.UAMS.edu/mobileclinic](http://VaccineSignup.UAMS.edu/mobileclinic).

The vaccinations will be conducted by UAMS in cooperation with Philander Smith College, Arkansas Blue Cross and Blue Shield, the Vaccinate the Natural State campaign and Bank of America Foundation.

To request a mobile vaccination clinic in an Arkansas city or town, please fill out a request form here: [uamshealth.com/population-health-mobile-unit-visit-request/](http://uamshealth.com/population-health-mobile-unit-visit-request/)

Even if you don't have any COVID-19 symptoms, wash your hands regularly and practice social distancing by staying at least 6 feet away from other people not in your household, and wear a mask in public. An online screening tool is available at

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute and Institute for Digital Health & Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise including its hospital, regional clinics and clinics it operates or staffs in cooperation with other providers. UAMS is the only adult Level 1 trauma center in the state. *U.S. News & World Report* named UAMS Medical Center the state's Best Hospital; ranked its ear, nose and throat program among the top 50 nationwide; and named six areas as high performing — COPD, colon cancer surgery, heart failure, hip replacement, knee replacement and lung cancer surgery. UAMS has 2,876 students, 898 medical residents and four dental residents. It is the state's largest public employer with more than 10,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's Hospital, the VA Medical Center and Baptist Health.
