**UAMS to Offer Mindfulness-Based Stress Reduction Program**

LITTLE ROCK — The University of Arkansas for Medical Sciences (UAMS) Mindfulness Program is offering the Mindfulness-Based Stress Reduction (MBSR) program online starting January 20.

Participants learn mindfulness techniques that foster positivity, inner strength and peace, while providing useful skills for navigating difficulty, stress, illness and pain.

The program is an eight-week, nine-session training in mindful awareness and meditation skills. Classes meet weekly online for about two hours and for an all-day session toward the end of the course.

Orientation is 10 a.m.–12:30 p.m. Friday, Jan. 20. Classes one through eight meet from 10 a.m. to 12:30 p.m. Fridays, Jan. 20 to March 17. The all-day class and retreat is 9 a.m. to 3 p.m. Saturday, March 4.

The cost for the course is \$300 and covers materials. UAMS employees may take the course for \$250. Couples or families can receive a group rate of \$225 per person. Scholarships are also available.

To register or apply for a scholarship, visit [Mindfulness.UAMS.edu](http://Mindfulness.UAMS.edu). For questions, contact [UAMSMindfulnessProgram@uams.edu](mailto:UAMSMindfulnessProgram@uams.edu).

MBSR was developed by Jon Kabat-Zinn, Ph.D., in 1979 at the University of Massachusetts Medical School and is a form of mindfulness and meditation that is well-documented and supported by scientific studies. Participants learn different meditative tools to mindfully explore healthier relationships with the day-to-day challenges and demands of life.

## UAMS to Offer Mindfulness-Based Stress Reduction Program

Page 2

Elements include:

- Guided mindfulness meditation practices
- Gentle stretching and mindful movement exercises
- Group dialogue and discussions aimed at enhancing awareness in everyday life
- Mentored instructions on MBSR meditation practices
- Printed and digital materials and resources, such as workbooks and MP3 files.

The course is taught by Feliciano “Pele” Yu Jr., M.D., a professor of pediatrics, biomedical informatics and public health at UAMS, associate director of the UAMS Mindfulness Program and certified Koru Mindfulness teacher who has completed the MBSR Teacher Training Intensive through the University of California San Diego Mindfulness-Based Professional Training Institute.

Puru Thapa, M.D., professor of psychiatry, is director of the UAMS Mindfulness Program, which offers Mindfulness teachings and courses to the UAMS community and the general public. For more information, visit [Mindfulness.UAMS.edu](http://Mindfulness.UAMS.edu).

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; a hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute and Institute for Digital Health & Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise. UAMS is the only adult Level 1 trauma center in the state. UAMS has 3,240 students, 913 medical residents and fellows, and five dental residents. It is the state's largest public employer with more than 11,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's, the VA Medical Center and Baptist Health.
