**Anuradha Kunthur, M.D., Joins
UAMS Winthrop P. Rockefeller Cancer Institute**

LITTLE ROCK — Anuradha Kunthur, M.D., has joined the Division of Hematology Oncology at the University of Arkansas for Medical Sciences (UAMS) Winthrop P. Rockefeller Cancer Institute, where she treats patients with blood cancers and other hematological disorders.

“We are thrilled that Dr. Kunthur decided to join us after completing her fellowship at UAMS, said Ahmed Abuabdou, M.D., MBA, chief clinical officer for UAMS Medical Center and director of cancer service line. “She is a great addition to our team, and our patients will benefit from her excellent and compassionate care.”

Kunthur is accepting new patients; please call (501) 296-1200 for an appointment.

In addition to treating cancer patients, she also serves as assistant professor in the UAMS College of Medicine Division of Hematology/Oncology.

Kunthur completed a fellowship in hematology/oncology at UAMS and a residency in internal medicine at Montefiore Hospital in the Bronx, New York. She also served as a research intern in the gynecologic oncology translational research lab at MD Anderson Cancer Center. Kunthur received her medical degree from Sri Venkateswara Medical School in Tirupathi, India. She is a member of the American Society of Clinical Oncology.

UAMS is the state’s only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; a hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and eight institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute, Institute for Digital Health

& Innovation and the Institute for Community Health Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise. UAMS is the only adult Level 1 trauma center in the state. UAMS has 3,275 students, 890 medical residents and fellows, and five dental residents. It is the state's largest public employer with more than 12,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's, the VA Medical Center and Baptist Health.
