UAMS Plans Job Expo in Fayetteville for June 8

FAYETTEVILLE — The University of Arkansas for Medical Sciences (UAMS) is hosting a Job Expo from 9 a.m. to 3 p.m. June 8 at the UAMS Northwest Regional Campus, 1125 N. College Ave., in Fayetteville. A similar event also is planned in Little Rock.

“Too often people outside UAMS think you need to be a doctor or a nurse to work here,” said Michelle Wiles, vice chancellor and chief people and culture officer. “In fact, UAMS has many positions that require only a high school diploma or GED. These employees are vital to UAMS; we couldn’t keep the doors open without them.”

“We planned this year’s Job Expo to really focus on our positions that don’t require a college degree,” she added.

UAMS is seeking to hire employees in direct and indirect patient care, administrative areas, campus operations, nutrition services and research areas.

For more information on the Job Expo and to register, please visit hr.uams.edu/talent-management/uams-job-expo/.

UAMS is the state’s only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; a hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and eight institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute, Institute for Digital Health & Innovation and the Institute for Community Health Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS’ clinical enterprise. UAMS is the only adult Level 1 trauma center in the state. UAMS has 3,275 students, 890 medical residents and fellows, and five dental residents. It is the state’s largest public employer with more than 12,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children’s, the VA Medical Center and Baptist Health.
