**Family Medicine Physician Timothy Baty, D.O.,
Joins UAMS Health Family Medical Center in Batesville**

LITTLE ROCK — Timothy Baty, D.O., has joined the University of Arkansas for Medical Sciences (UAMS) Family Medical Center in Batesville, where he will provide comprehensive primary care services for patients of all ages.

The Wynne native returns to Batesville, where he completed his residency training at the UAMS North Central Regional Campus and served as chief resident from 2021-2023. He earned his Doctor of Osteopathic Medicine degree from the New York Institute of Technology College of Osteopathic Medicine at Arkansas State University in Jonesboro in 2020 and a bachelor's degree in biology from the University of Central Arkansas in Conway in 2014.

Most recently, Baty served as a physician with Wynne Medical Clinic, a hospitalist at CrossRidge Community Hospital in Wynne, and medical director for Gentiva Hospice in Forrest City. His clinical experience includes primary care, inpatient medicine, hospice care, and emergency medicine.

Baty has earned recognition for his contributions to family medicine and rural health throughout his career. He was named a Fellow of the American Academy of Family Physicians in 2024. In medical school, he won Arkansas' Community Star award and the Stanley Schiowitz Award for Excellence in Osteopathic Medicine.

Baty also will help train future family physicians as an assistant professor with the UAMS North Central Family Medicine Residency Program.

"Tim Baty's return to UAMS North Central is something we're incredibly excited about," said Jordan Weaver, M.D., UAMS North Central Regional Campus medical director and residency director. "As the first graduate of our program to join us as faculty, he represents exactly the kind of homegrown talent we hope to keep in Arkansas — and his patients are thrilled to have him back as their doctor."

Baty is accepting new patients at the [UAMS Health Family Medical Center in Batesville](#). To schedule an appointment, call 870-793-2540.

UAMS is the state's only health sciences university, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; hospitals in Little Rock and Bryant; an orthopaedic hospital; a main campus in Little Rock; a Northwest Arkansas regional campus in Fayetteville; a statewide network of regional campuses; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, Jackson T. Stephens Spine & Neurosciences Institute, Harvey & Bernice Jones Eye Institute, Psychiatric Research Institute, Donald W. Reynolds Institute on Aging, Translational Research Institute, and the Institute for Community Health Innovation. UAMS includes UAMS Health, a statewide health system that encompasses all of UAMS' clinical enterprise, including partnering hospitals in Pine Bluff, Helena-West Helena, Mena, and Warren. UAMS is the only adult Level 1 trauma center in the state. UAMS has 3,813 students and 1,030 medical residents and fellows, and two dental residents. It is the state's largest public employer with about 12,000 employees, including 1,200 physicians who provide care to patients at UAMS, its regional campuses, Arkansas Children's, the VA Medical Center and Baptist Health.
